Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

The corrected proof copy of the Manual of Rules of Recruitment is submitted herewith for general approval before returning it to the Press.

The addition in the portion marked A on page 8 is made with reference to the Chief Secy's query on the last page of the draft copy of the Rules.

It is for consideration whether marginal references should be given against each paragraph to Govt orders on which the Rules are based.

Certain changes are suggested in the forms of B & D Statements.

In the foot-note of C Statement it may perhaps be added that each Head of a Deptt or Govt Office should send with the Statement his review of the progress

N. B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

25 advance copies of the rules may perhaps be obtained and circulated to members in advance to facilitate discussion.

It appears desirable to request Local Govts to review the progress of recruitment of candidates every half year when the statements are subd. If approved a circular will be issued & the ~~Secretary~~ necessary instructions embodied in the rules.

Re-marginal refce to each rule, it appears desirable to give it to facilitate reference to the G.O. on which the rule is based. This will be done if approved.
